

## REMARKS

### Formal Matters

Claims 8-25 are pending.

Claims 8-25 were examined and rejected. No claims were allowed.

Claims 8 and 21-23 are amended. The amendments were made solely in the interest of expediting prosecution, and are not to be construed as an acquiescence to any objection or rejection of any claim. Support for the amendments to the claims is found in the claims as originally filed, and throughout the specification, in particular at the following exemplary locations: page 15, lines 14-20 and page 8, lines 7-8.

No new matter is added by these amendments.

Applicants respectfully request reconsideration of the application in view of the amendments and remarks made herein.

### Interview summary

The Applicants wish to express their gratitude to Examiner Brusca for the interview on February 8, 2005, with Applicants' representative James Keddie.

The enablement rejection was discussed.

Examiner Brusca agreed that the enablement rejection would be addressed by amending the claims to recite.... "an interaction between a test peptide and a cellular *component*".

Such an amendment is made herein. In view of this amendment, the Applicants request withdrawal of this rejection. A Notice of Allowance is respectfully requested.

### Rejection of claims under 35 U.S.C. § 112, first paragraph (enablement)

Claims 8-20 are rejected under U.S.C. § 112, first paragraph, as failing to comply with the enablement requirement of U.S.C. § 112, first paragraph.

Without any intention to acquiesce to the correctness of this rejection and solely to expedite prosecution, the claims have been amended to recite "an interaction between a test peptide and a cellular *component*".
